

# Indianapolis District Dental Society Presents: Restoring Implants & Successful Laboratory Communication

We are pleased to invite you to a special meeting that is being offered only to dentists in practice five years or less and who are members of the Indianapolis District Dental Society. **Please RSVP at your earliest opportunity, as space is LIMITED.** Be sure to attend this information-packed meeting that will cover the following:

- Implant and Cosmetic Treatment Planning
- Profitable Relationships with the Dental Laboratory
- Controlling Implant Cases Start to Finish
- Checklist for Predictable Success in Implant and Cosmetic Cases
- Let's not be Surprised: How to determine profitable fees
- Complete Question and Answer Portion

This presentation will give you information on some of the interests and questions you may have as a practicing dentist in business five years or less. It will center on lab communication needs and successful implant restorations. This is a wonderful opportunity for the newer practitioner to learn from your peers and from experienced Certified Laboratory Technicians.

**Meridian Hills Country Club  
7099 Spring Mill Road**

**Wednesday, March 24<sup>th</sup>
